

PARENT STATEMENT

I am aware of the time commitment and summer dates associated with my child making the cheer squad. I understand that I will contact one of the coaches, ASAP, if my child is ill and cannot attend practice or an event.

I am aware that my cheerleader needs to recognize that cheer is a commitment and must be a priority. Missed practices will result in reduced cheer time and in reduced participation in rallies and games.

I am aware that my child is expected to be at summer practices and participate in events throughout the summer.

I am aware that a Cheerleading Conditioning class is offered. I am aware that my child can be enrolled in the course to satisfy their PE requirement.

I am aware that I will need to make a donation (payment) towards uniform, camp, and apparel items.

I am aware that as a parent I will be required to volunteer at fundraising activities to support the team.
